

April News Letter

114 members

To all members of Black Creek Sportsman's Club,

My prayers, and those of all officers, go out to all of you during these trying times.

Because of the epidemic, we were forced to cancel all spring events (the Spring Block Shoot and the Fishing Derby). We are all hoping that the stay at home order imposed by the Governor will be lifted in time for our June meeting.

I held April's raffle drawing with Joe Zapach. Congratulations to the winners who are posted on our web page.

Work has begun on renovating the men's and lady's rooms. The rooms have been stripped down to four walls, and the material to finish the job has been purchased. Special thanks to Joe Zapach, and all those who assisted me on the project.

These projects are moving slowly due to the inability to invite members to participate per the Governor's guidance on the number of people who can safely gather. We appreciate that more people are willing to assist. I will contact members if needed, and if we can safely accommodate more assistance.

The next set of raffle tickets are being mailed to members along with this newsletter. Please return them via the club mailing address. Reminder: members are required to sell or buy 5 tickets. I may put a couple more tickets in the mailing in case you can sell them also. If not, return the unsold extra tickets with your money and sold ticket stubs.

If we all hunker down and follow the Center for Disease Control's guide lines we can salvage some of the summer. Yes, it will be difficult, but not impossible.

I look forward to seeing you at the earliest meeting date that can be arranged with a reasonable amount of medical safety for all.

With best wishes,

Don Kile, President BCSC
