As this is our last meeting for 2021, I just wanted to take a moment to thank everyone who contributed to our club's success over this past year! Like with only the most adaptable businesses and organizations, we've survived over the last two-years mainly due to our resiliency, willingness to adapt, and our quality leadership guiding our way.

Something tells me that 2022 will be even brighter!

I, for one, cannot close out this year without offering a special thanks, and appreciation, to each of our Club Officers. This includes the additional folks, that have stepped-up to go above and beyond, to assist with officer-like responsibilities.

Each of you continue to serve as the “glue” that holds this club together. Your continued selfless service, and dedication, makes each of us, and the club, a better people and organization.

Were left only to imagine the amount after-hours effort, and time, you devote to the club! Whether you do what you do because you have the time, you enjoy it, no-matter the reason, know that none of your past, present, or future service goes un-noticed or un-appreciated.

Your continued selflessness, and willingness to excel at your positions, affords us the privilege to have a club, one where we can have fellowship, contribute where we can, and have an overall pleasurable experience.

With that, I wish each of you (Officers and club brethren) a Happy Thanksgiving, a Merry Christmas, and a wish that we all have the best health, and happiness in the coming year!

How about now, and with heartfelt thanks, we offer our Club Officers a huge round of applause!
